Why attend

Mergers and acquisitions create uncertainty for employees, customers and investors. This course covers communication across the deal lifecycle: confidentiality, announcement planning, stakeholder messaging, employee communication, customer and supplier communication, integration communication and culture.

Poor merger communication drives away talent and customers. You will learn to communicate change clearly at every stage.

Professional Problems This Course Is Designed to Solve

- Difficulty translating subject knowledge into practical workplace decisions.
- Inconsistent approaches to the activities covered in the course outline.
- Lack of a structured plan for applying and reviewing new skills.

Course methodology

Deal lifecycle planning, announcement day simulations, Q&A drafting and case studies.

Course objectives

By the end of this course, participants will be able to:

- Plan communication across the deal lifecycle
- Manage confidentiality and leaks
- Prepare announcement day materials
- Communicate with employees through uncertainty
- Communicate with customers, suppliers and investors
