Why attend

Allegations of fraud, harassment, corruption or policy breaches must be investigated fairly and thoroughly. This course covers investigation fundamentals: assessing allegations, planning, legal and privacy considerations, evidence collection including digital evidence, interviewing, analysis, report writing and recommendations.

Poor investigations can lead to wrong conclusions and legal challenges. You will learn a structured, defensible investigation method.

Professional Problems This Course Is Designed to Solve

- Difficulty translating subject knowledge into practical workplace decisions.
- Inconsistent approaches to the activities covered in the course outline.
- Lack of a structured plan for applying and reviewing new skills.

Course methodology

Investigation case exercises, interview practice, evidence handling demonstrations and report writing.

Course objectives

By the end of this course, participants will be able to:

- Assess allegations and decide on investigation
- Plan investigations and define scope
- Respect legal, privacy and employee rights
- Collect and preserve evidence
- Conduct investigative interviews
- Write clear investigation reports

Target audience

This course is suitable for:
