Why attend

Emergencies demand rapid mobilisation of people, equipment and supplies. This course covers emergency logistics and resource coordination: resource inventories, mutual aid agreements, staging areas, transport and distribution, tracking resources, coordinating with partners and demobilisation.

Resources that arrive late or in the wrong place cost lives and money. You will learn to coordinate resources efficiently in emergencies.

Professional Problems This Course Is Designed to Solve

• Difficulty translating subject knowledge into practical workplace decisions.
• Inconsistent approaches to the activities covered in the course outline.
• Lack of a structured plan for applying and reviewing new skills.

Course methodology

Resource planning exercises, staging area design, coordination simulations and case studies.

Course objectives

By the end of this course, participants will be able to:
• Plan emergency resource requirements
• Maintain resource inventories and mutual aid agreements
• Organise staging and distribution
• Track resources during response
• Coordinate with partner organisations
• Demobilise and recover resources

Target audience

This course is suitable for:
• Emergency managers
• Logistics coordinators
• Public safety officials
• NGO logistics staff
• Business continuity managers
