Why attend

Senior executives and public figures can face threats from criminals, activists and stalkers. This course covers executive protection planning: threat and risk assessment, protective intelligence, advance planning for travel and events, secure transport, residence security, digital exposure, privacy and coordination with protection teams.

Good protection is mostly planning, not confrontation. You will learn to plan discreet, proportionate executive protection.

Professional Problems This Course Is Designed to Solve

- Difficulty translating subject knowledge into practical workplace decisions.
- Inconsistent approaches to the activities covered in the course outline.
- Lack of a structured plan for applying and reviewing new skills.

Course methodology

Threat assessment exercises, advance planning workshops, case studies and travel scenarios.

Course objectives

By the end of this course, participants will be able to:

- Assess threats and risks to executives
- Use protective intelligence
- Plan advances for travel and events
- Organise secure transport and residences
- Reduce digital and privacy exposure
- Coordinate protection teams and families

Target audience
