Why attend

Professionals are judged by how they present ideas as well as by the ideas themselves. This practical course builds presentation skills: structuring presentations, designing clear slides, voice and body language, managing nerves, engaging audiences, handling questions and presenting online.

Confident presenters win support for their ideas. You will practise repeatedly with feedback until you present with impact.

Professional Problems This Course Is Designed to Solve

- Difficulty translating subject knowledge into practical workplace decisions.
- Inconsistent approaches to the activities covered in the course outline.
- Lack of a structured plan for applying and reviewing new skills.

Course methodology

Repeated presentations with video feedback, slide clinics, voice exercises and Q&A practice.

Course objectives

By the end of this course, participants will be able to:

- Structure presentations for clarity
- Design simple, effective slides
- Use voice and body language confidently
- Manage presentation nerves
- Engage and involve audiences
- Handle questions and present online

Target audience

This course is suitable for:

- Professionals who present at work
- Managers and team leaders
- Technical specialists
- Sales professionals
- Graduates and early-career staff

Course content
