Why attend

Many products fail at launch because of unclear targeting, weak messaging or poor sales readiness. This course covers go-to-market strategy: market validation, target segments, positioning and messaging, pricing, channel strategy, launch planning, sales enablement and post-launch tracking.

A strong launch accelerates adoption and revenue. You will learn a structured go-to-market process used by successful product teams.

Professional Problems This Course Is Designed to Solve

• Difficulty translating subject knowledge into practical workplace decisions.
• Inconsistent approaches to the activities covered in the course outline.
• Lack of a structured plan for applying and reviewing new skills.

Course methodology

Launch case studies, go-to-market canvas workshops, messaging exercises and launch plan presentations.

Course objectives

By the end of this course, participants will be able to:
• Validate market demand
• Define target segments and positioning
• Develop launch messaging
• Choose pricing and channels
• Plan launch activities and timelines
• Enable sales and track adoption

Target audience

This course is suitable for:
• Product managers
• Marketing managers
• Business development leaders
• Start-up founders
• Sales managers
