Why attend

Governments and public bodies must inform citizens clearly and involve them in decisions. This course covers public information principles, plain language, accessible communication, public consultations, participatory approaches, digital engagement and evaluating engagement outcomes.

Citizens trust institutions that communicate openly and listen. You will learn to inform and engage the public effectively.

Professional Problems This Course Is Designed to Solve

• Difficulty translating subject knowledge into practical workplace decisions.
• Inconsistent approaches to the activities covered in the course outline.
• Lack of a structured plan for applying and reviewing new skills.

Course methodology

Plain language rewriting, consultation design, digital engagement planning and case studies.
