Why attend

Quality is shaped by leadership decisions, priorities and behaviours. This course helps managers lead quality: quality as strategy, customer focus, setting quality objectives, engaging teams in quality, making quality visible, dealing with quality failures and balancing cost, speed and quality.

When leaders compromise on quality, teams follow. You will learn to lead in a way that builds a quality culture.

Professional Problems This Course Is Designed to Solve

• Difficulty translating subject knowledge into practical workplace decisions.
• Inconsistent approaches to the activities covered in the course outline.
• Lack of a structured plan for applying and reviewing new skills.

Course methodology

Leadership case studies, decision dilemmas, quality culture assessments and action planning.

Course objectives

By the end of this course, participants will be able to:
• Explain the leader's role in quality
• Link quality to strategy and customers
• Set and deploy quality objectives
• Engage teams in quality ownership
• Respond to quality failures constructively
• Balance quality with cost and speed

Target audience

This course is suitable for:
• Managers and team leaders
• Department heads
• Quality managers
• Operations directors
• Senior leaders
