Why attend

Sales managers drive results through their teams. This course covers sales strategy, territory and account planning, recruiting and onboarding, coaching, performance management, pipeline and forecast management, incentives and motivation, and sales technology.

Great salespeople do not always become great sales managers. This course gives you the leadership and management tools to build a high-performing sales team.

Professional Problems This Course Is Designed to Solve

- Difficulty translating subject knowledge into practical workplace decisions.
- Inconsistent approaches to the activities covered in the course outline.
- Lack of a structured plan for applying and reviewing new skills.

Course methodology

The course uses case studies, coaching role plays, pipeline reviews and planning workshops.

Course objectives

By the end of this course, participants will be able to:

- Develop sales strategy and plans
- Design territories and coverage models
- Recruit, onboard and develop salespeople
- Coach for sales performance
- Manage pipeline and forecasts
