Why attend

Video is now the most engaging content format across social media, websites and internal channels. This course teaches video marketing: storytelling structures, planning and scripting, low-budget production with smartphones, editing basics, platform-specific formats, distribution and measuring video performance.

You do not need a big budget to create effective video. You will learn to plan and produce short videos that people watch.

Professional Problems This Course Is Designed to Solve

• Difficulty translating subject knowledge into practical workplace decisions.
• Inconsistent approaches to the activities covered in the course outline.
• Lack of a structured plan for applying and reviewing new skills.

Course methodology

Scriptwriting exercises, smartphone filming practice, editing demonstrations and performance review.

Course objectives

By the end of this course, participants will be able to:
• Plan video content aligned to goals
• Apply storytelling structures
• Write scripts and storyboards
• Film good-quality video on a budget
• Edit and adapt videos for platforms
• Measure video performance
